Challenging Good to Great. A
criticism of Good to Great,
is that some of the great
companies, featured in the
book, are no longer great.
However, Collins viewed and
analyzed these companies as
looking into the past.
Therefore, making no claims
as to their future success.
Collins never claimed that
these once great companies
would always be great.

Great: Summary. The key
takeaway from Good to Great
is discipline. To go from a
good organization to a great
one you need disciplined
people, disciplined thought,
and disciplined action.
Disciplined people: means
getting the right people and
keeping them focused on
excellence.
