Research Interviewing  
world and his or her relation to it. Focus on participants' lived experiences, not just a participant's beliefs or attitudes about issues. 2.

Conducting Qualitative In-depth Interviews  
Definitions. The qualitative research interview seeks to describe and the meanings

# Access Free Interviews An Introduction To Qualitative

Research Interviewing  
of central themes in the life world of the subjects. The main task in interviewing is to understand the meaning of what the interviewees say. (Kvale, 1996) A qualitative research interview seeks to cover both a factual and a meaning level, though it is usually more difficult to interview on a meaning level.
