have a huge network of friends. It's all about honoring what you're naturally skilled at already, and what you enjoy, while at the same time pushing your boundaries just a bit and expanding your comfort zone.

Network Marketing for Introverts:
How to Find Success ...

Focusing on your strengths as an introvert can help you make your way in the marketing world.

"Introverts play a vital role in the marketing process because not every consumer responds well to an in-your-face sales pitch or aggressive banner ads," says Courtenay Stevens, writer for Business.org. "Introverts provide a unique perspective that helps marketing teams hone their

Marketing for Introverts: Do You
Really Need to Be Social ...

There are many introverts out there who are highly successful in network marketing. A lot of the people you see up on stage and making it happen in business aren't necessarily extroverts. What successful introverts learn to do is bring out the 'extroverted' in them in social situations when they need to.
