oDesk Work | Find freelancers to tackle any job, any time ...

My experience will make this much quicker next time. It happens a lot in QA: whether writing test cases or JUnit test cases, it takes a lot of time at first. After you are done, you can always repeat it and that's the up side. Besides that, I didn't have all the required platforms myself, so setting up would be very time consuming in my case.

My experience with outsourcing QA using oDesk : programming
