Criminology: A Sociological Understanding (Subscription ...

This chapter focuses on criminology as an academic subject, what it looks like and how the student will be expected to study it. The discussion is underpinned by what is called the 'triad of criminology', a basic framework for understanding how criminology fits together through the study of definitions of crime, explanations of criminal behaviour, and responses to crime and criminal behaviour.

Criminology is a textbook with a new approach, both student-focused and research-engaged. Written for today's students, it provides the framework of knowledge core to exploring, understanding, and explaining crime. The goal is simple and bold - to help the next generation of criminologists to be switched-on, excited, and critical.Written with one single focus in mind: students.

Criminology — Paperback — Steve Case, Phil Johnson, David ...

In sociology, deviance describes an action or behavior that violates social norms, including a formally enacted rule (e.g., crime), as well as informal violations of social norms (e.g., rejecting folkways and mores).Although deviance may have a negative connotation, the violation of social norms is not always a negative action; positive deviation exists in some situations.
