Your Rugged Preamble. The nation ' s founding document, as imagined by the midcentury American imagination. In 1952, Stanford University Press published a guide for young American readers to aid them in their understanding of the United States Constitution. Now in reissue over 60 years later, the book not only serves its original purpose, as a concise resource on the history and purpose of the nation ' s founding document, but it also offers a window into the patriotic imagination of the ...
